

BENIN DOUGLES DANIEL D

DATA ENGINEER || DATA ANALYST

Coimbatore, Tamil Nadu

LinkedIn : [linkedin.com/in/benin-daniel-6a3944295](https://www.linkedin.com/in/benin-daniel-6a3944295)

SUMMARY

Detail-oriented Data Professional with 21 months of experience in automating complex data workflows and building scalable architectures. Expert in Python, Airflow, and Cloud-native tools, with a proven ability to design end-to-end automated systems. Strong background in Supply Chain and Finance data modeling, focusing on efficiency and "single-click" scalability.

TECHNICAL SKILLS

- Languages: Python , MySQL, SQL
- Data Engineering: Apache Airflow, ETL/ELT Pipeline Design, Data Modeling
- Cloud & Infrastructure: Google Cloud Platform (Cloud Run), NATS Messaging, Docker
- Domain Expertise: Supply Chain Analytics, Financial Reporting, Construction Data Modeling

PROFESSIONAL EXPERIENCE

Conversight.aiData Analyst | [2025-07] – Present (6 Months)

- ETL Automation: Developed and maintained multiple automated ETL pipelines to sync data from various ERP and CRM platforms using Python and GCP Cloud Run.
- Event-Driven Architecture: Integrated NATS messaging systems to handle real-time data streaming and improve pipeline responsiveness.
- Cloud Optimization: Utilized serverless engineering in Google Cloud Run to process data tasks, increasing system reliability and reducing compute overhead.
- Warehouse Management: Managed data warehouse schemas to ensure efficient query performance for complex analytical requests.

Conversight.aiData Engineering Intern | [2024-04] – [2025-06]

- Automated Provisioning: Engineered a "Single-Click" end-to-end customer provisioning system, automating the setup of data environments and reducing manual onboarding time.
- Data Modeling: Designed and implemented robust data models for Finance, Supply Chain, and Construction sectors to support high-level business intelligence.
- Strategic Architecture: Developed optimized data structures to ensure high performance and data integrity across multi-tenant environments.

EDUCATION

Bachelor of Technology in Artificial Intelligence and Data Science (2025)

OCT 2021 - APR 2025

- Sri Shakthi Institute of Engineering and Technology || CGPA: 7.6

Higher Secondary Certification (HSC) (2021)

Andrews Matric. Hr. Sec. School | 85%

Secondary School Leaving Certification (SSLC) (2019)

Andrews Matric. Hr. Sec. School | 80.2%

HONORS & AWARDS

- Best Intern Award: Recognized for outstanding performance in automating complex data pipelines, significantly reducing manual data processing.
- Award of Excellence: Received for consistent technical excellence and high-impact contributions to the data analytics team.
